

Permanent or Temporary Surfacing

TECNO TILE provides a unique self-draining surface for all year, all-weather play. Its cushioned properties, with excellent foot grip, prevents fatigue and injuries caused by playing on hard surfaces.

Ideal For:

- ▶ Playgrounds
- ▶ Multi Sports Surfaces
- ▶ Exhibition Flooring
- ▶ Swimming Pool Surrounds
- ▶ Industrial Flooring
- ▶ Marine Decking
- ▶ Health Clubs / Gymnasiums
- ▶ Grass Erosion Control

- ▶ Colourfast (UV-protected) tiles can be used to form logos, letters, numbers or individual designs in a variety of colours
- ▶ Suitable for wheelchairs, golf carts and controlled vehicular access
- ▶ Unique cushioning properties, inherently safer than tarmac or concrete
- ▶ Virtually maintenance-free
- ▶ Designed to withstand global weather extremes
